That's a great idea, David, since R6 is heavily involved!

What is Carmen's LAN id? I'll make sure Carmen is added!

Thanks,

Tim

Thanks – we will link. Should Carmen have access for region 6?

Thanks for the update, Tim! We will link to the R8 page. Best of luck with this!

Hi Bonnie and Bill!

Here's the site—and you (Bonnie) and I have access to update it (as does Bill Cooper in Region 8):

<https://wcms.epa.gov/goldkingmine>

So, they do NOT want a separate Region 9 page. In fact, we are REPLACING the

current Region 8 page with <https://wcms.epa.gov/goldkingmine>.

And in case Region 6 is working on a separate site, I wanted to make David and others know.

Thanks!
